An IG inspector asked me yesterday how we are doing in response to the IG Entry-on-Duty survey. The IG is following up on its recommendations per the DDCI's instructions.

Attached is a memo sent to D/Pers, as well as other correspondence related to this matter. Note that among other actions required, the ExDir is to provide the DDCI, through the IG, a progress report on the recommendations. Please take a look at this and let's see how we want to proceed to satisfy the DDCI's request.
